Dear Brother Harrell:

I appreciate your willingness to allow the reproduction of Hubert Locke's article from the last issue of Kerygma. If you have not already received it, I would suggest that you ask Brother Locke to submit his "Address" of January 10 to the group I talked with you about on the telephone. It is as penetrating and relevant as was "The Church and Civil Rights."

Enclosed is a presentation used last fall at the Midland, Texas, Missions Conference. Walter Burch used a very few of the ideas in a recent 20th Century Christian article. If you so desire, I will be happy for you to use this in coming issues of Kerygma.

I feel very deeply about the need for a publication like the one you are editing. I trust that it will be a work that you can continue.

Fraternally yours,

John Allen Chalk
